

An F-1 student is a nonimmigrant who is pursuing a full course of study to achieve a specific educational or professional objective at an academic institution in the U.S. that has been designated by the Department of Homeland Security (DHS) to offer courses of study to such students. The Office of International Affairs (OIA) must determine a student's eligibility to be issued a Form I-20 to be used when applying for the F-1 visa at a U.S. Embassy or Consulate abroad, or if the student is already in the U.S., by sending the Form I-20 to USCIS when applying for a change of status to F-1. Students must demonstrate to OIA that:

- 1) You have been admitted to an eligible academic program at the University of Texas Health Science Center at Houston (UTHSC-H)
- 2) You are capable of financing your education and stay in the U.S.
- 3) Immigration regulations will not prohibit you from being issued the Form I-20

OIA will be provided with a copy of your admission letter from the school you have been admitted to. Students admitted to a program of study at UTHSC-H must complete and sign this form and return all original documents to OIA at the address below in order to determine eligibility for the Form I-20.
